PRESS RELEASE

St. Clair County

Location – I-64 between IL 158 and IL 4 approximately two miles east of O'Fallon

The Illinois Department of Transportation today announced that nighttime lane restrictions will be encountered on eastbound and westbound I-64 between IL 158 and IL 4 beginning Monday, September 19, 2016, weather permitting. Traffic will be reduced to one lane in each direction and stopped periodically from 6:00 PM to 6:00 AM. This work is required to install the steel bridge beams for the new structure carrying Rieder Road over I-64. The work is expected to last through the end of September 2016.

Motorists are urged to use caution, obey all warning signs and allow extra time when travelling through the work zone.

The contractor on this project is The Kilian Corporation/Keeley and Sons, Joint Venture of Mascoutah, IL. If you have any questions concerning this project, please contact Steve Putz, Supervising Field Engineer for the Illinois Department of Transportation, at 618-346-3350.

Additional information is available at <http://stl-traffic.org>.
